COVID-19 VACCINE

Alpine, Texas – Until such time as the State and County put in place actions to coordinate administration of the Covid-19 vaccine, the two local distribution points that will provide vaccine shots are managing distribution based on the priorities established by the Texas Department of State Health Services. The two distribution points are Big Bend Regional Medical Center and Preventative Care Health Services. As these entities receive vaccines, they will contact you directly based on the information you provide and the DSHS priorities. DSHS determines the quantity of vaccines that each facility receives. There is currently no forecast on when they will receive shipments. Once shipments are received, they will contact those individuals who have signed up to receive the vaccine.

Big Bend Regional Medical Center - Phone 432-837-0430. You will be asked to provide your name, date of birth, phone number, doctors name and answer other healthcare questions. If you call after hours, please leave your name and phone number so that they may contact you.

Preventative Care Health Service - Please use the following link to complete the information online:

<https://docs.google.com/forms/d/e/1FAIpQLScgwHI12XbSSVrBWv2TOoGNrBa1AJYxTSYkmWdYzdvHIz6lDg/viewform>

You will be contacted by PCHS for follow-up information and to register as a patient at PCHS.
