

US 67 CORRIDOR
MASTER PLAN

NOTICE OF PUBLIC MEETING

US 67 Corridor Master Plan

The Texas Department of Transportation (TxDOT) is conducting a third and final series of public meetings regarding the US 67 Corridor Master Plan Study. The US 67 study corridor stretches 142 miles from Interstate 10 west of Fort Stockton to the Presidio/Ojinaga Port of Entry on the US/Mexico border. The US 67 Corridor Master Plan will identify current and future needs along US 67 and provide a set of recommended projects for short-, mid-, and long-term implementation. Everything that the study team has heard from the public for the last year and a half has been considered, and technical studies have been conducted to develop alternative concepts. The purpose of this third series of public meetings is to provide an update on the study progress and to solicit input from the public on the alternative concepts.

You are invited to attend one of the four public meetings to provide input, insight, and comments. Although all information will be available at each meeting, the formal presentation will focus on the alternative concepts within or immediately adjacent to the meeting location city. The public meeting will begin at 5:00 PM with a formal presentation beginning at 5:30 PM, followed by a breakout session and question and answer session. Prior to the public meetings, you are invited to attend a Visualization Demonstration for certain alternative concepts that will allow the public to experience a fully immersive mixed reality perception of what the concepts would look like. This demonstration/open house will be an informal demonstration, and you are welcome to come anytime between 2:00 PM and 4:00 PM.

Fort Davis

Monday, June 24, 2019

Open House/Visualization Demonstration: 2:00 – 4:00 PM

Public Meeting: 5:00 – 7:00 PM

Presidio Activity Center (PAC)
1200 E O'Reilly St, Presidio, Texas 79845

A virtual public meeting will also be published online following the in-person meetings, as well as information about the study to-date and frequently asked questions, at www.txdot.gov/inside-txdot/projects/studies/el-paso/us67-i10-presidio.html.

If you have any questions or would like to discuss the study in more detail, please contact Rebecca Reyes, TxDOT Project Manager, at (915) 790-4205 or Rebecca.Reyes@txdot.gov. The events will be conducted in English; however, Spanish-language interpretation will be provided. Persons interested in attending the meetings who have special communication or accommodation needs are encouraged to contact Mrs. Reyes by June 17, 2019. Every reasonable effort will be made to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
